

# Registrations & Charges

MGA offers you a simple registration processes.

You can self manage, or our registrars can provide you with an optional free data entry service until you are confident with the system. The database is simple and easy to use and training is provided.

Just let us know that you need help and a registrar will book a time with you.

Email on [admin@miniaturegoatsaustralia.com](mailto:admin@miniaturegoatsaustralia.com)

If you self-manage your stock in the MGA database you will need to ensure that you hit the blue button (bottom right) to send the task you have created (registration, transfer etc) to a registrar; otherwise it will just sit in the database and will not be actioned.

Height photos with the measuring tool need to be emailed to the MGA admin email for verification. Don't forget a new adult photo (without the measuring stick) is also required for the adult certificate.

MGA members are required to register all goats that are sold, given away or traded, including wethers. Wethers are free to register and transfer. This process is important to facilitate correct recording of kidding information for each parent and these gentle little boys have a pedigree to prove they are more than just a goat.

We also encourage you to record and report any deaths whether at birth or thereafter so as to collect **ALL** information for future analysis and statistics and to ensure potential buyers of the animal are well informed.

Buck transfer fees have been set higher to deter the transfer of male goats without careful consideration to the substance or quality of the animal being sold.

Members are permitted up to 6 months to register their animals. If you register and transfer a Doe animal at the same time you only pay one fee.

All animals are required to be transferred to new owners within 1 month of sale date.

If you purchase an animal you must transfer to MGA within 2 months of the date of purchase, this includes any animal purchased from a non MGA member.

If members need any assistance at all please contact one of our six registrars or a Committee member.

# MGA Fees
